

# FIVE-YEAR-OLD BOY IS KIDNAPPED BY HIS OWN MOTHER

Mrs. Maud G Clark, Divorced From Her Husband, Snatches Up Child in Central Park and Runs Away With Him.

HAD GIVEN HIM UP TO BE LEGALLY ADOPTED.

Pursuit of Fleeing Woman Stopped by Another Who Called Herself a Detective May Now Be on Her Way to Boston.

Dr. Carleton C. Kremer, of No. 857 Lexington avenue, and his wife Sophia reported to Lieut. Lehr, of the East Sixty-seventh Street Station, this afternoon that their five-year-old adopted son Carleton had Just been kidnapped by the child's mother, Mrs. Maud G. Clark.

The doctor said he feared Mrs. Clark had taken the child to the Grand Central Station for the purpose of starting to Boston with him when Mr. Pelcher was not at home. Mrs. and detectives were hurried to the station.

noon trains for Boston.

They were unable to get any trace of Mrs. Clark or the boy, Clark, the doctor says, frequently called

She called at Dr. home yesterday evening and said slie was going to Boston on a visit.

Miss Malvina Kremer, the doctor's sister, took little Carleton out for a walk in Central Park to-day. She was ust shout to enter the house with him with him through Sixty-fifth street toward Park avenue.

Miss Kremer followed. She was gain-ing on Mrs. Clark when a woman ran across the street, caught hold of her and detained her. The strange woman said she was a detective and kept a close grin on Miss Kremer until Mrs. Clark Park avenue corner. The cab started

tion of North Western, Reading and

Turning to the reporter Walker re third street. Her parents live in Dor-chester, Mass., and her maiden name front door, pursued by the intruders, was Buchanan. Union at 43. Steel at 39. Smelter at 111 and St. Paul at 132. This was last July when I began operations at Sara-loga. Allogether I went ther 20,000 shares in the New Yor in the land 9,000 in London, England, got out of Union at 185-8. Steel at 28-4 and Smelters at The Figure it up yourself." The plunger's attention was called to the fact that on those figures his profits ranged from 17 on Steel to 32 points on Simplers—in round figures about \$5,000.00:

on Smeiters in round figures about 5.000,000.

"Correct," replied Walker. "Why should Union Pacific pay 10 per cent. and Chicago and Northwestarn pay only 7? One is an investment and the other a stock gamble. That is whe Chicago and Northwestern is the only stock I buy for investment."

"Where do you get your information?" was asked.

"Well, my father is Edwin Walker general counsel for the Chicago, Miliwaukee and St. Paul and the Diamond walkee and St. Paul and the Diamond who I am. I came to New York from Chicago a few years ago and formed a partnership with my brother, E. C. Walker whose firm Walker & Co., is a New York Stock Exchange house. I rold out, and have since been free innthing it with a few friends."

Why He Succeeds.

"Years aro when a railroad wanted to borrow money the directors would meet and out the dividend. Now the board meets and increases the dividend so as to deceive the public, but not for ions. The public will shortly set things as I do. I am not always a bear. I was long on wheat a few months are and took a fine profit on the poor crops."

Talks of Deception.

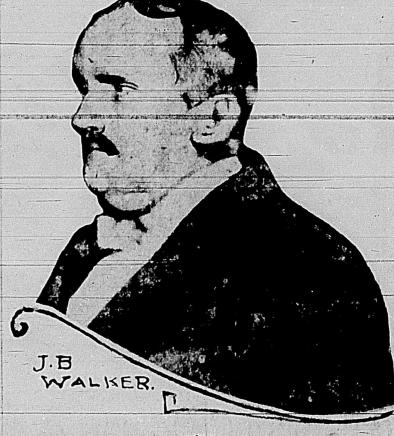

#### COUNT SZECHENYI RECOVERS HEALTH.

derbilt and Count Szechenyi were out driving together in this city to-day, the nobleman appearing for the first time in several days. He has been indisposed at the Vanderbilt farm in Eggis-nouth with slight symptoms of pto-naine poleoning.

Friends of Mrs. Cornelius Vanderbilt to-day declared that a report that the wedding of Miss Vanderbilt and the Count had been indefinitely postponed was groundless.

LAST DAY TO REGISTER. This is the final day of registra-

(Special to The Evening World.) BELMONT PARK RACE TRACK, Oct. 14.—Harry Payne Whitney's Brookdale Nymph won the Westchester Handicap here this afternoon and hung up a new world's record for the six and a half furlongs, covering the distance in 1.17 2-5, or nearly one second better than the old record. The performance was remarkable, in view of the fact that the mare carried 124 pounds.

Sends Great Naval Power to North Sea and Still Has Many Warships in Reserve.

- LONDON, Oc 14 - There is now assembling in the North Sea and the English Channel, for manoeuvres under the command of Admiral Lord Charles Deresford, a fleet of British warships representing an aggregation of naval power surpassing all sthe inimediately available resources of any two other countries of Europe, and yet not a single ship of this fleet has been drawn from the reserves, the Meriterranean fleet or the Devonport and Portsmouth divisions.

The home fleet, which is now assembling, consists merely of those ships maintained in the vinicity of the British isles, and which throughout the year have been engaged in war training. It mumbers life pennants and is composed of 26 battleships, is armored cruisers, a Walter Miller is being talked about talked about talked about talked about talked about talked about the second in the second since the pennants and is composed of 26 battleships, is armored cruisers, a Walter Miller is being talked about the second in the second since the pennants and is composed of 26 battleships, is armored cruisers, a Walter Miller is being talked about the second since the pennants and is composed of 26 battleships, is armored cruisers, a Walter Miller is being talked about the pennants are provided to the Egresford, a fleet of British warships gramme

have been engaged in war training. It numbers its pennants and is composed of 26 battleships, 15 armored cruisers, a number of protected cruisers, various auxiliary vessels and 85 torpedo vessels. The battle-slip Dreadnought is not taking part in the mineouriers, at she is being fitted with a new scering engine letter being subjected to a further scites of sort trials, which, it is hoped, will prove of assistance in determining the design of future large battle-ships.

The first section of the coming saval manocurres, covering four days, will be of a tactical description and the final sisters will be detected to a landing like for being the description and the final sisters will be detected to a landing like for blind on Countermand easily best for blind on Countermand easily best for blind on Countermand easily best for like in the land stations manned, the coming operations are expected to be most interesting.
